

## Mendocino County Sheriff's Search and Rescue

---

### About SAR

Each year Mendocino County Sheriff's Search and Rescue receives numerous inquiries from men and women interested in joining us, but wish to know more about the organization. Here is a brief explanation of what we do and what is required of our members.

Search and Rescue (SAR) is an unpaid, all-volunteer, non-profit corporation that currently has members who conduct Search and Rescue operations whenever and wherever we are called upon to do so, by the Mendocino County Sheriff's Office.

We draw all of our resources from our local community of volunteers who train to develop the required skill sets as well as having the discipline and dedication needed to make a difference. The SAR Team meets once a month on the fourth Wednesday at 6:00 pm, typically in Ukiah. Quarterly, meetings are held in differently locations to allow for easier access and better training opportunities.

SAR operations involve a variety of specialized skill areas such as: Special (Ground) Forces, ATV, Horse Posse, Unmanned Air Squadron, Underwater Search and Recovery, Logistical Support, and Search Management. As a SAR member, you will be assigned to one or more of these areas according to your particular interests or skills.

### Eligibility for Membership

Any person who is a United States citizen, has not been convicted of a felony or serious misdemeanor, and is 14 years or older, is eligible for membership. All members are required to submit to a background check.

### Member Requirements

All SAR members must obtain and maintain valid First Aid and CPR cards. Members are also expected to complete FEMA's Incident Command System(ICS) classes 100, 200, 700 & 800. Throughout the year there are regular training sessions on these and other diverse subjects such as man tracking, map and compass, rappelling, use of all terrain vehicles, search techniques, and land navigation. Each new member will be required to attend a SAR "boot camp" to obtain the basic skills needed to become an active SAR member. There are no dues or fees for members. After being sworn in as Disaster Service Workers all members are covered by state worker's compensation and disability benefits during approved training and when called out on actual SAR missions.

Apart from attending meetings and training sessions, all members may be called upon to participate in actual searches. Searches are often done in rugged terrain at all hours of the day or night, and in any weather. Although your specialties may lie in a particular area, you can expect to be called upon to join a search on foot if necessary.

### Right Stuff

Being a member of SAR demands a **COMMITMENT** of your time, can be rigorous, but also rewarding. Please consider carefully if you are prepared to commit yourself to all of these requirements before seeking to join. The strength of SAR comes from its members, working together as a team, committed to the mission to see it through. Of course there are also plenty of support and administrative things to do behind the scenes, so if you are less inclined to climb a rope or a mountain, we can find a place in our organization for you too!

*The Mendocino County Sheriff's Search and Rescue is a non-profit, tax-exempt corporation in affiliation with the Mendocino County Sheriff's Office. Non-Profit State Identification number: C1641628.*
